

RALLY SCREEN

**YAMAHA TÉNÉRÉ 700 '25-
REF:22647**

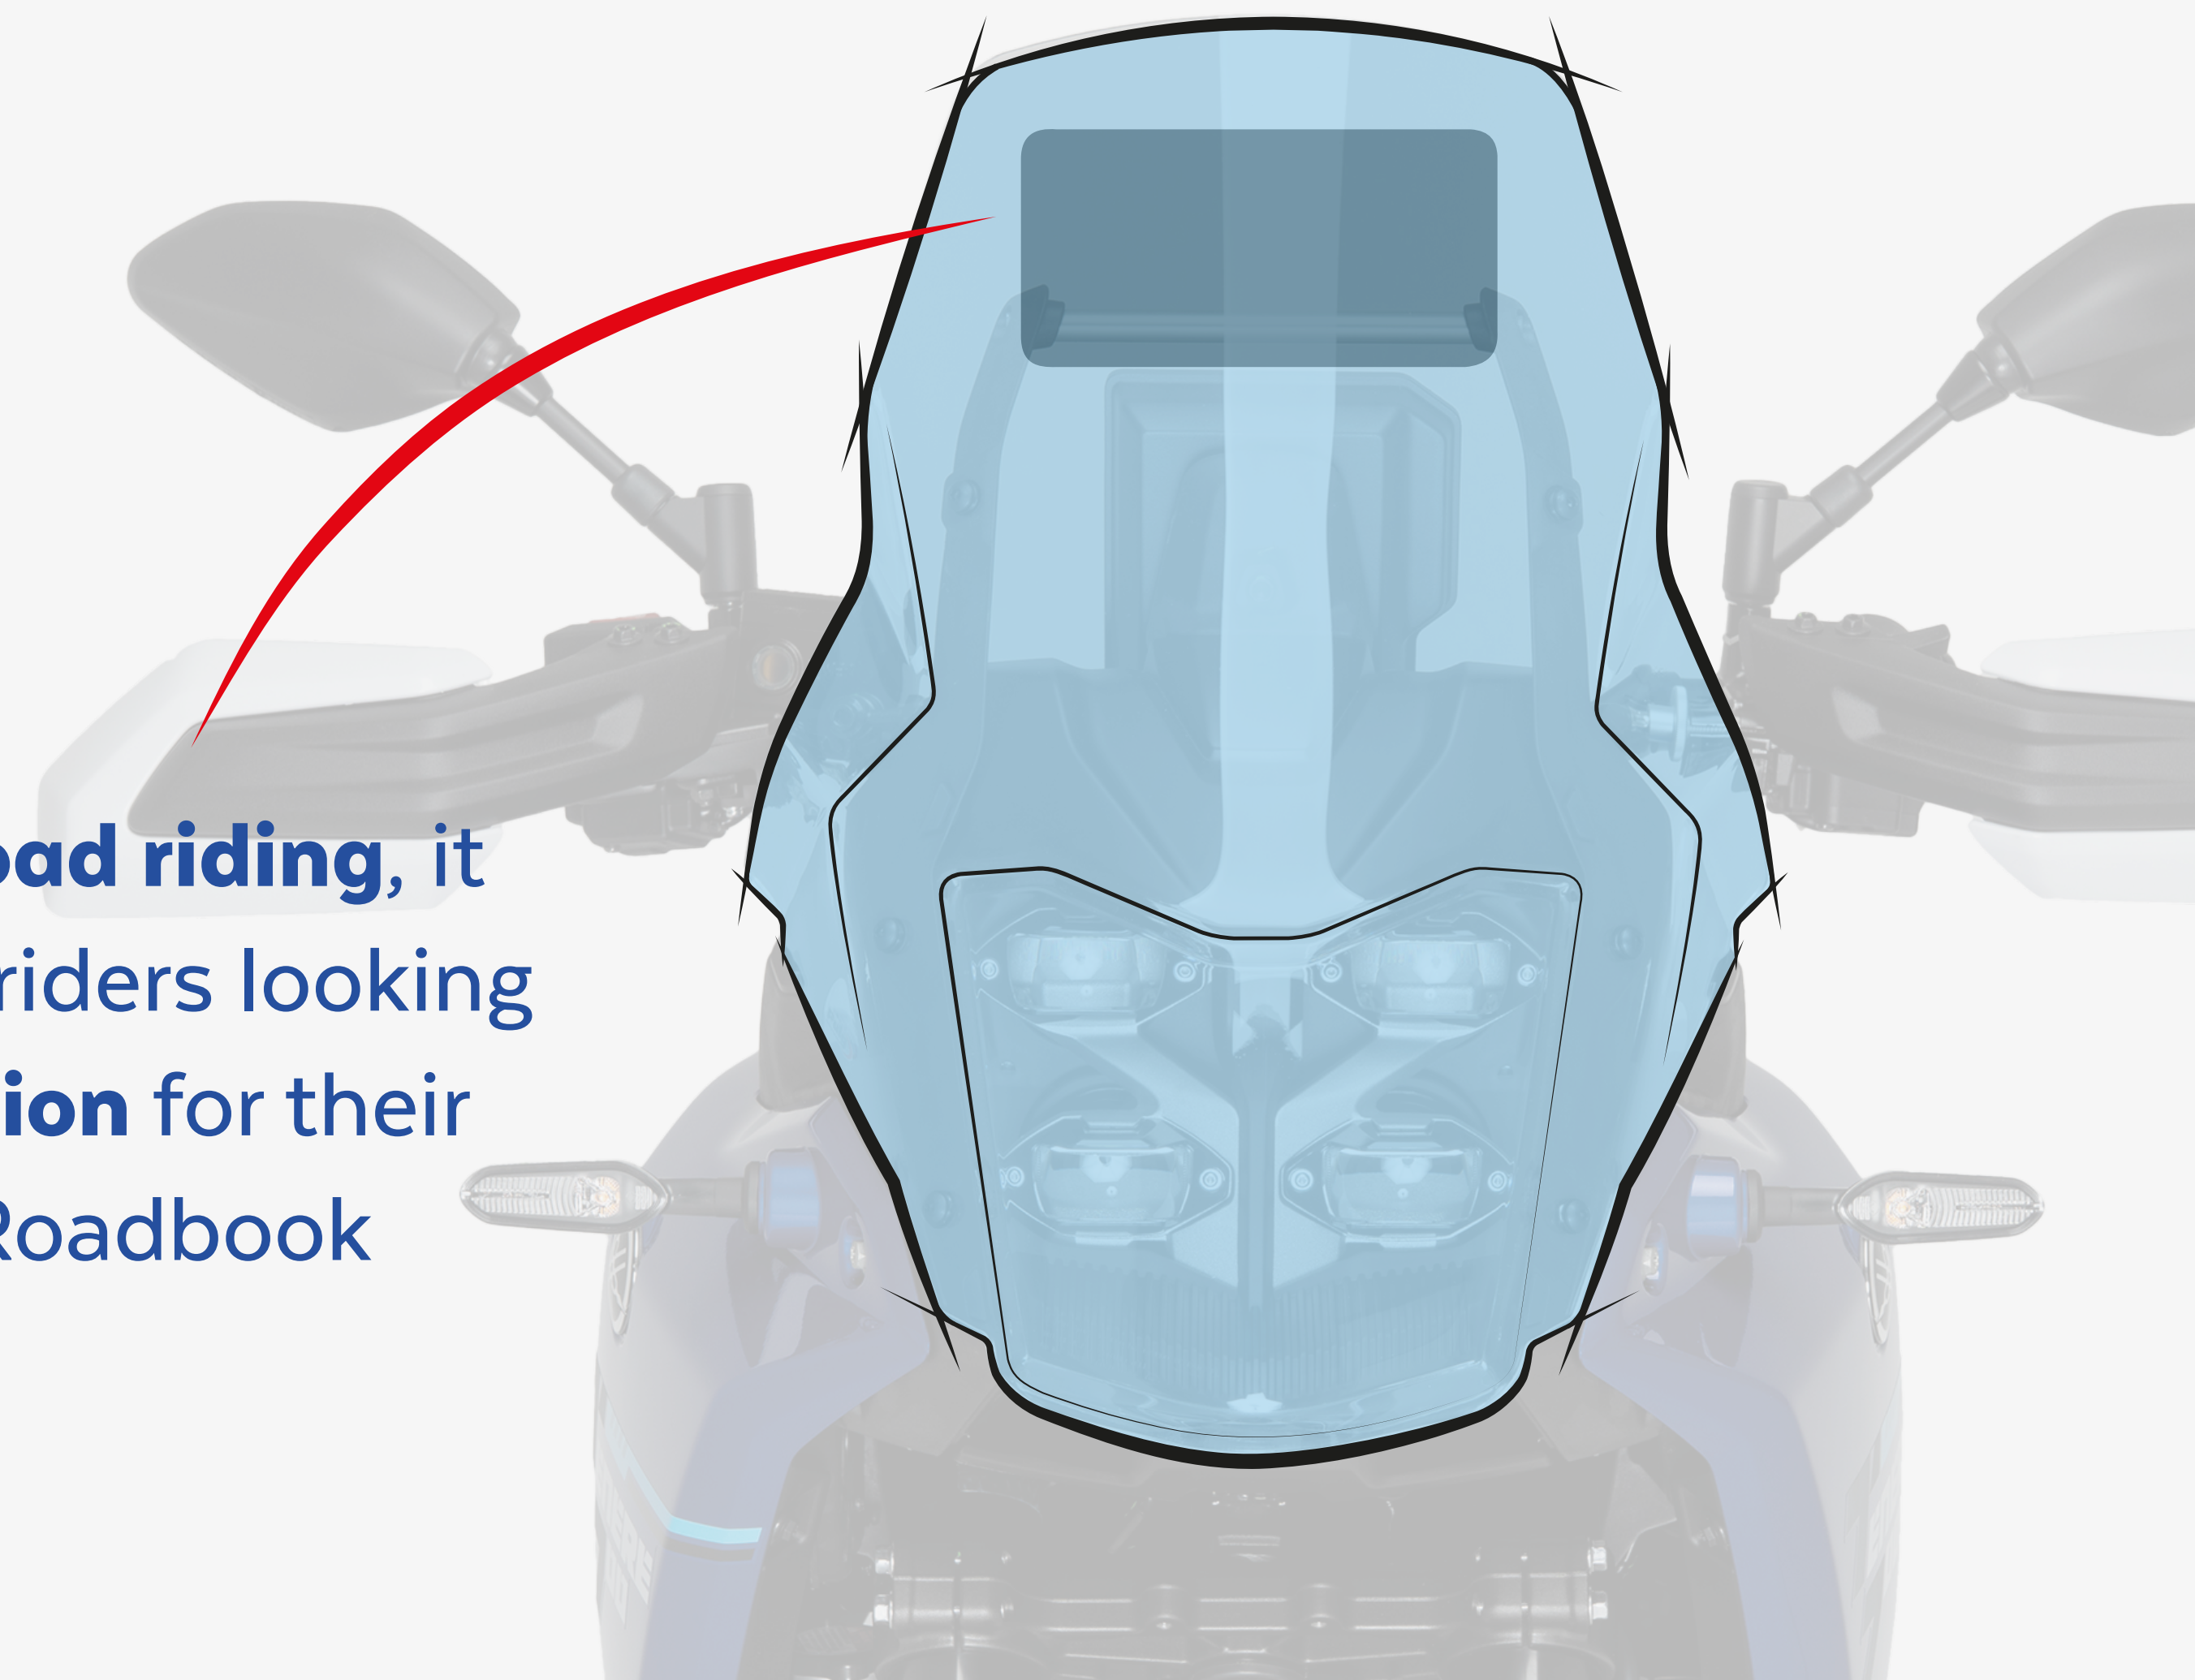

It's 10 mm lower than the original
but wider at the top, providing
better torso protection for the rider

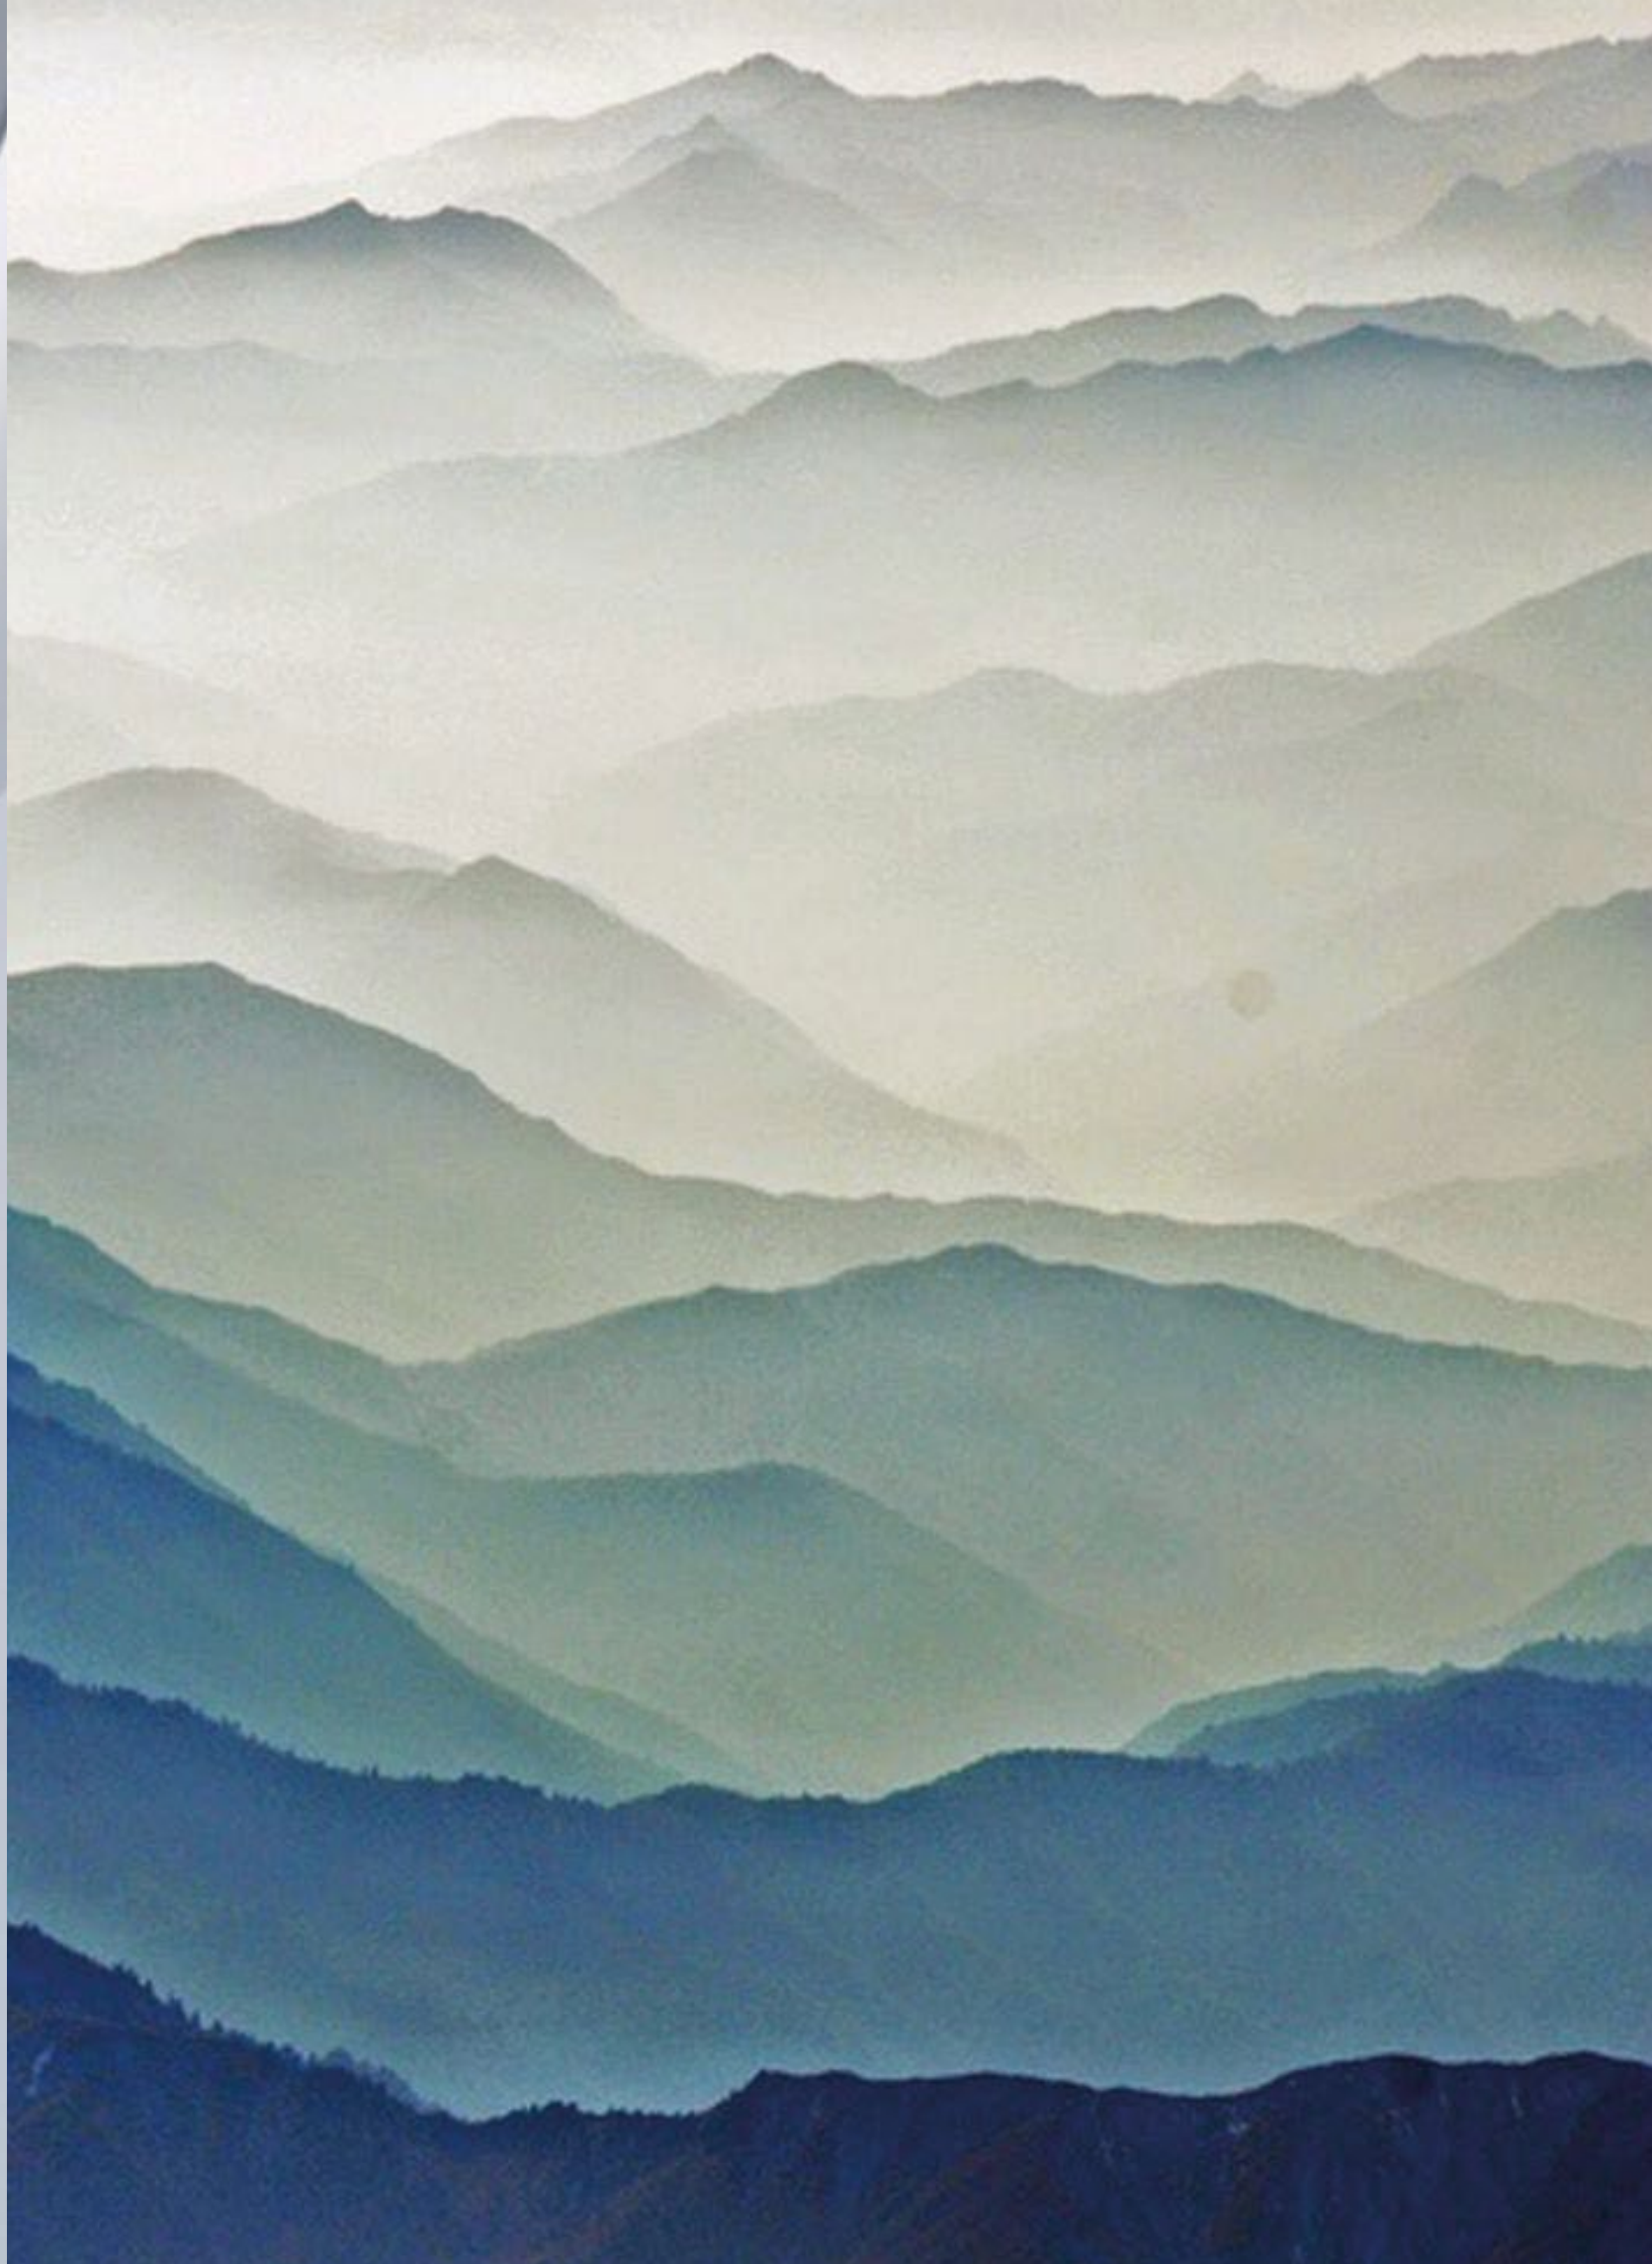

Protects the headlight from
stone impacts without
compromising on aesthetics or
aerodynamic performance

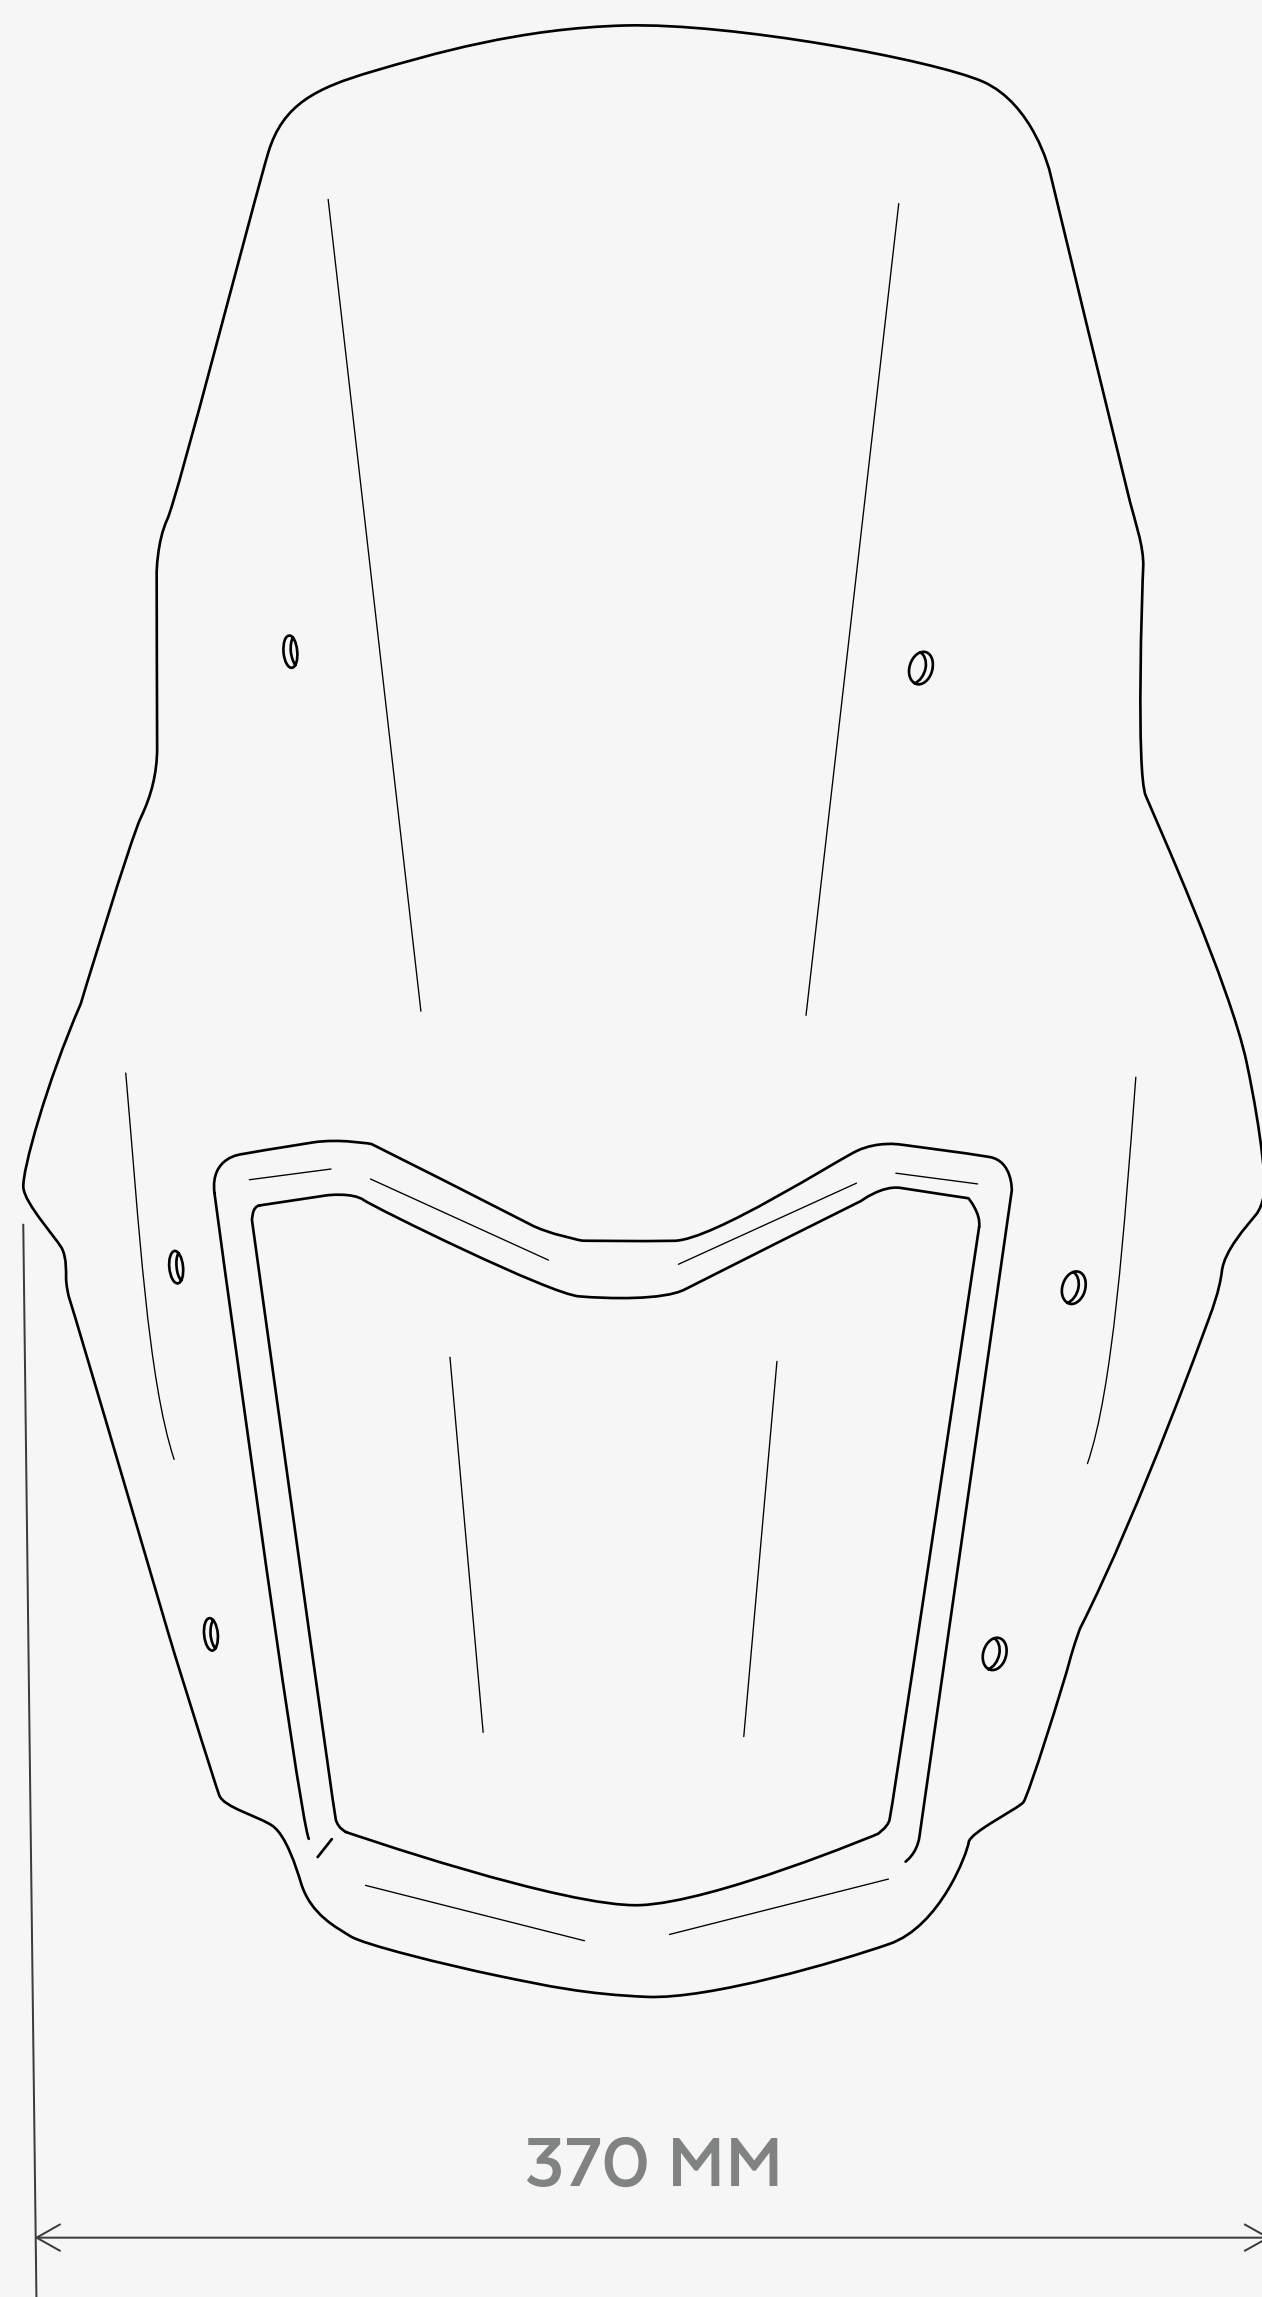

Designed for **off-road riding**, it
meets the needs of riders looking
for **greater protection** for their
tablet, GPS, or Roadbook

TECHNICAL FEATURES

- THE DESIGN COMBINES A LOWER FITTING THAT **PROTECTS THE FRONT OPTICS** WITH SUBTLE, ELEGANT UPPER DEFLECTORS, RESULTING IN A SPORTY AND STREAMLINED LOOK.
- **INSTALLATION IS QUICK AND EASY**, REQUIRES NO MECHANICAL KNOWLEDGE, AND CAN BE COMPLETED IN JUST 15 MINUTES
- IT SITS 10 MM LOWER THAN THE STANDARD OEM SCREEN BUT IS WIDER AT THE TOP, OFFERING **BETTER PROTECTION** FOR THE RIDER'S TORSO.
- MADE OF **4 MM THICK UV-PROTECTED PETG POLYCARBONATE** WITH A ROUNDED EDGE
